

**CITY OF WESTMINSTER  
MAYOR**

**ANDY QUACH**

**AGE: 32**

**OCCUPATION:** Councilmember/Businessman

I believe public service is a privilege and an honor. I graduated from Bolsa Grande H.S. and Chapman University, I served in the U.S. Navy where I was selected to Underwater Demolition/SEALs training. I work for the U.S. congress. I served on our Planning Commission.

As your Councilman/Mayor Protem, I have seen enough to know we can do better.

We must reduce impediments to business. Petty bickering shouldn't kill worthwhile projects. As Mayor, I'll make Westminster business-friendly again.

We need more funds for our streets. I won't sit quietly while the money goes elsewhere.

I helped establish a new park. As Mayor, I will upgrade existing parks throughout the city.

I stood firm to keep our schools funded. We shouldn't play games with our children's future.

Our utility users tax is a crutch. I'll vote to reduce it, and when state budget protections take effect in two years, to abolish it.

I won't play one community against another. I will represent all of Westminster. I wrote the anti-communist legislation.

Westminster needs new ideas and new energy in City Hall. We need to stop saying "We Can't" and instead say "We Will!"

Please elect Andy Quach Mayor.
